General CPE rules for entries/show site:

- 🐾 Dogs must be at least 15 months or older the first day of the trial
- 🐾 Blind (both eyes), lame, in season or aggressive dogs may not enter the show. The Club may choose to exclude any of these from site.
- 🐾 Dogs must be registered with CPE prior to the closing date of the trial, or by the trial date for Day Of Show entries. Registration forms are on the Forms page: www.k9cpe.com. Forms **MUST** be mailed to CPE and are processed 2-3 times per week. CPE ID numbers are emailed to legible email addresses. Registrations can only be processed from mailed forms.
- 🐾 Dogs must be able to be measured at their first show. If a dog cannot be measured, the dog cannot run and no refund will be issued. Dogs within ½” of a jump height require at least one more measurement. When dogs reach their second birthday, a measurement is required. All dogs must be measured at their first trial regardless of jump height.
- 🐾 Only CPE Judges can measure dogs.
- 🐾 Electronic shock collars are not allowed at ANY CPE trial – training or bark.
- 🐾 Handlers in all classes are permitted to walk the course, without a dog, prior to the start of the class. A warm-up jump shall be provided for all entered dogs. No relieving of dogs in the warm-up area.

Dogs in the ring, leashes, exiting the ring

- 🐾 Dogs shall run without anything attached to its body. This is for the safety of the dog. This includes no: collars, stitches, wraps or any other item. The only exception is a small barrette or rubber band to keep hair out of a dog’s eyes.
- 🐾 Leashes may not have anything (other than name/license tags) attached to them when used in the ring.
- 🐾 Dogs may enter the ring on a collar, quick release harness or head halti/leader. If prong collars are allowed per the show site, they may not be used to take a dog into the ring.
- 🐾 Handlers may not carry their leash with them on the course – if done so, an NT will result. Exception: Handicapped handlers that have a mobility problem in picking up the leash at the finish may put their leash in their pocket – the leash must be out of sight.
- 🐾 Dogs must be under the handler’s control when leaving the ring or the judge may enter the run as No Time - NT.

Training a dog in the ring during a run

- 🐾 WAG, Inc. will offer Declared training in the ring. The handler has the option if they want to use a toy or training aid at any time during their run, the handler must approach the Judge during Walk through or previously in that trial day for the Judge to approve the toy or training aid for use on the course.
- 🐾 Handler must alert the Judge upon entry to the ring that the dog will be TIR. Handler is then allowed to have a reasonably sized silent toy/aid with them for use once their run has started (this toy must be approved by the Judge of record PRIOR to the start of the class to determine its eligibility, absolutely no food/scents/audible devices). The toy is NOT allowed to be used in either gate chute or prior to the previous dog leaving the ring.
- 🐾 See the online rulebook or current member letter for additional rules.

The following items are considered training in the ring (see Fix and Go):

- 🐾 Violating the 4 paw safety rule (directing the dog back onto the contact)
- 🐾 Start line stay – leaving the dog and going back again to reposition the dog after the handler passes the plane of the first obstacle (before the handler leaves the dog, repositioning or repeated commands can be a delay of start)
- 🐾 Putting the dog back on the table in the point games

While running on course

- 🐾 The handler will direct the dog through the course without a collar or lead.
- 🐾 Food, toys, training devices (includes fanny packs and leash attachments) are not allowed within 10’ feet of the ring. Clickers, training whistles and squeaky toys are not to be used within distraction distance of the ring.
- 🐾 The handler may not carry anything that could aid the dog in its performance. Exclusion: Handicapped/Differently Abled Handlers using a cane, scooter, wheelchair, etc., to enable their progression around the course.

The handler may use any verbal or visual commands to direct the dog through the course. The Judge may assess a 5 fault penalty to elimination for any command that is not given in a sportsmanlike manner. Faults can be, but are not limited to: foul or abusive language, display of anger, extreme frustration or excessive harshness. If the fault is severe enough, the Judge has the right to excuse the exhibitor from the ring and / or the remainder of the trial. If excused from the trial, a report would be filed with CPE. See Faults, Eliminations and Excusals in the rulebook.

Questions? See the rules page on the website, www.k9cpe.com or your printed rulebook.

If you have further questions, email CPE – cpe@charter.net.

TOYS for TOTS Collection

Helping out needy Kids!

WAG and Haute Dawgs will be holding a Toys for Tots toy drive during the WAG November CPE Trial and the December Haute Dawgs trial. We would like to challenge everyone entered in the trial to donate a new, unwrapped toy to this wonderful cause or help with a donation. A collection bin will be set up in the arena to collect all of the toys you bring. You can also make a monetary donation (any checks written should be made out to “Toys For Tots of Sacramento”). Please remember your donation will be tax deductible.

The mission of the U.S. Marine Corps Reserve Toys for Tots Program is to collect new, unwrapped toys each year and distribute those toys as Christmas gifts to needy children. Toys for Tots delivers a message of hope to needy youngsters that will motivate them to grow into responsible, productive, patriotic citizens and community leaders. Please help us support this great organization during the holiday season! Thanks.

(The dog you wish to run must be entered in at least one class on Friday) Handlers can form teams of three prior to the show—or we will group people together on Friday for those that are vying for the title of “Top Turkey”. Teams will be grouped as follows – 4 & 8 inch jumpers, 12 inch

This game will be open to all level dogs. Dogs of mixed jump heights will all jump the lowest dog height in the group.
