

Jackpot All Levels

You may attempt the gamble (1,2,3) at any time during your run. If the gamble is completed successfully from outside the line, the gamble will be worth 20 points. If the gamble is completed successfully from inside the line, the gamble will be worth 15 points. The gamble does not start until the dog takes #1 in the order labeled on the map. All obstacles, including the gamble obstacles, may be taken twice for regular points. The table is live after the first horn or before the first horn when you direct your dog to it and will be worth 5 points.

1 point obstacles - single jumps

3 point obstacles - tunnels, double jump, weaves

5 point obstacles - A-frame, teeter and 2-jump combo (must be taken in flow in either direction)

Small dog time - 35 opening, 20 closing

Big dog time - 30 opening, 18 closing
