This event is designed to prepare both the handler and dog for actual trialing. If you have been through agility classes, but are not quite ready to trial, this is an excellent chance for you to prepare for competition. We ask that you have at least six full months of weekly training classes and that you participate with the concurrence of your instructor. Runs may be timed and each run will be limited to a maximum of 60 seconds in jumpers/tunnelers and 75 seconds in standard. No awards or placements will be given. This is not for competition, but for fun, experience, & practice. Treats & toys in the ring are encouraged, and praising your dog is mandatory. Dogs must be able to do all pieces of equipment safely and must be under control both in and out of the ring. Harsh corrections, either physical or verbal, will not be tolerated.

Jump height and Age – Jump height is at your discretion (we suggest you jump the height you practice in class). **Dogs must be at least One year old**

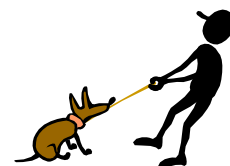

Advanced runs are for dogs already in competition. You must have earned at least one qualifying run at the novice level before you can run an advanced course.

Dogs cannot run on a leash, and only flat snap collars (no tags, tabs) are allowed in the ring.

Confirmations – if requested will be sent by email – please be sure to **carefully print your email** address and double check it for accuracy or we will not be able to send you a confirmation. They may NOT be sent out immediately upon receipt – but will go out prior to the event to confirm entry into the match. **Enter ONLINE if you'd like the convenience of doing so – there is a PayPal convenience fee with your online entry – see details on the webpage in the Enter ONLINE section.**

The organizing committee may refuse any entry for any reason. There will be no refunds for entries withdrawn after the closing date or in the event a dog and/or handler are dismissed from the event, regardless of the reason for dismissal. It is expressly understood that entrants alone are responsible for the behavior of their dogs, children, or guests. Any entrant whose dogs, children, or guests create unnecessary disturbances or engage in unsafe or disruptive behavior, may at the discretion of the organizing committee, be asked to remove the offending dogs, children, or guests from the event grounds. No refund of fees will be made in such a case. Judge and/or gate steward may excuse team for any infractions with NO REFUNDS.

This match will be limited to 400 runs per day. We will allow day of match entries only until that total is reached if not full before match date. If you decide to enter day of match, be advised that it may be filled before you get there or may fill while you stand in line. You may verify status of the fun match by checking the website or emailing the match secretary at susan@k9wag.com up until 6PM on Friday February 4th to see if there is still room available for day of entries. Check-in will begin at 8:00 AM, handler briefing will begin around 8:30AM with first walk-throughs to begin immediately thereafter. We will start the first run of the day at 9:00 AM sharp, so if you don't pre-enter, get there early or you may get left out!

Entries may not be canceled, changed or altered after the closing date. Set up area under the covered arena is not unlimited, so bring canopies just in case or perhaps work from a vehicle. No food will be available for purchase on site – however, there are many food options within a mile or so. We suggest you bring along all you will need for you and your dog at the event.
